5/6	Canberra	$650	◊ Geography ◊ Civics & Citizenship (Aust Government)	Students experience their National Capital. If 3/4 experience Melbourne, this will mean our students from 3—6 will experience their State and National Capital in their time at YPS.	Camp Rumbug	$290	◊ Health & PE ◊ Critical & Creative Thinking ◊ Resilience, Rights & Respectful Relationships	Camp Rumbug is a physically challenging adventure camp. It is more suited to older children, offering a range of fantastic physically challenging activities. This would give 5/6 children the opportunity to experience an adventure camp at each grade level from 3—6 at YPS.
3/4	Melbourne Urban	$300	◊ Geography ◊ Civics & Citizenship (Aussie, Aussie, Aussie) ◊ History	In line with their learning about Australia, the states and territories, children will experience their State Capital	Forest Lodge	$250	◊ Health & PE ◊ Critical & Creative Thinking ◊ Resilience, Rights & Respectful Relationships	As Forest Lodge is local, it is the perfect venue for our younger students for their first adventure camping experience. The activities are easily accessible to this age group; facilities and catering are fantastic.

2	After school activities / sleepover (every year, suggest Term 4)	$20	◊ Health & PE ◊ Critical & Creative Thinking ◊ Resilience, Rights & Respectful Relationships	A one night sleepover at school will help our students prepare for their first camping experience. If it was planned for a Friday afternoon, students could stay after school and take part in a range of games, craft and cooking experiences. They could order in or cook their own dinner and sleepover at school. They could incorporate a night walk to the wetlands. The BER has toilet and kitchen facilities to support this. Students would need to bring their own bedding etc. Parents could collect students after breakfast, or join in a shared breakfast on the Saturday morning.
1	After school activities	$10	◊ Health & PE ◊ Critical & Creative Thinking ◊ Resilience, Rights & Respectful Relationships	Suggest one Friday afternoon. Students stay and take part in fun activities at school such as scavenger hunts, craft and cooking. Students could cook their own dinner, or have a shared dinner with families, before going home at 7pm.
