LOCKDOWN #7 NEWS

Thanks again for your adaptability and quick response accessing the important information last weekend. These steps are critical to ensuring the children's learning suffers the least disruption possible.

We know a few children/families are struggling. We are very keen to discuss and support families to work out the best way forward for each child. Each little individual will respond differently to further remote learning. Please, do not hesitate to reach out if we can be of assistance.

Pleasingly, most families have found their rhythm and are doing a fantastic job!

A MOMENT OF GRATEFULNESS ...

We were so fortunate to be able to participate in the Yarram Eisteddfod last week! Several photos were in last week's newsletter.

Here are some of our fabulous 2021 choir. They were remarkably polished and certainly looked the part. Preparation involved harnessing technology to learn their songs despite lockdowns. The result was testament to the effort all children made.

We thank Tanya Foat and Lisa Blackman for their flexibility and support and the Yarram Eisteddfod committee for working miracles to provide this event, despite last minute curve balls, for the children.
