### SCHOOL LEADERSHIP—SEMESTER 1 2019

Our sincere congratulations to the following eight Year 6 students who were presented to our school community at assembly as house leaders for Semester 1. Students undertake a written application, interview and review of their demonstrated commitment to the Yarram Primary School values. We were thrilled with the students who applied. We encourage those who are interested to apply for Semester 2.

Congratulations and best wishes to:-

HOUSE	CAPTAIN	VICE CAPTAIN
EUCALYPTUS	Kaidance Green	Tyler Underwood
BANKSIA	Saxon Long	Ryan Maiden
GREVILLEA	Ryan Van de Lustgraaf	Lily Marazzato

### WELCOME BARBECUE

This annual event is scheduled for next **Tuesday 19th February**. We do hope as many families can make it as possible. It is a double opportunity this year for parents to meet our staff and other families. Activities will be run on the oval from 6.45 to 7.30pm.

Last year's Welcome Barbecue was a lot of fun

### DOGS AT SCHOOL

If you walk with your dog to school, please tie it up outside the school ground away from any entrance to the yard.

### REMINDER

—BE ON TIME FOR SCHOOL

Children need to be taught to be ready to learn and be ready for their day by arriving at school with enough time to get themselves organised and settled. Arriving on the bell or later is unsettling for everyone.

If you are finding it hard to get here on time, set an alarm for 15 minutes earlier or wind back your home routine to kiss the littlies goodbye 10 minutes earlier. This is a lifelong skill and one which will help ensure they are on the front foot for school and future work.

REGARDS—PENNY EARLE

## Growth Mindset

In Green 1 we have been learning how to think with a Growth Mindset. Growth Mindset allows our brains to make new connections.

Some of the statements we can make when we are learning are:

- "Mistakes help me to learn"
- "I can try again"
- "I can make this better"
- "How can I make this better?"
- "What can I use to help me?"
- "I'm going to train my brain to do this"
- "I am going to give it my best shot"
- "I am going to make a plan to help me"
- "Have a go and see what happens"
- "Make that change and try again"
- "This time I am going to ..."
