

YARRAM PRIMARY SCHOOL Child Safety Policy

Yarram Primary School embraces the values of respect and trust, teamwork, learning with high, realistic expectations, having fun, professional commitment and local school and community traditions. In support of this:

***At Yarram Primary School,
we have a zero tolerance to child abuse.***

Rationale:

All Victorian schools are required to have a child safety policy or statement of commitment to child safety that details:

- the principles that will guide the school in developing policies and procedures to create and maintain a child safe school environment
- the actions the school proposes to take to:
 - demonstrate its commitment to child safety and monitor the school's adherence to its child safety policy
 - support, encourage and enable school staff, parents, and children to understand, identify, discuss and report child safety matters; and
 - support or assist children who disclose child abuse, or are otherwise linked to suspected child abuse
- that child safety is considered in the recruitment, selection and management of staff (includes contractors and volunteers)

Ministerial Order No. 870 (available at www.vrqa.vic.gov.au/childsafes) states that Child abuse includes –

- any act committed against a child involving –
 - a sexual offence or
 - an offence under section 49 B (2) of the *Crimes Act 1958* (grooming)
- the infliction, on a child, of –
 - physical violence or
 - serious emotional or psychological harm
- serious neglect of a child
