All students are invited to come along dressed for a day at the races and the classroom activities planned. There may even be some jockeys and horses out in the yard!

You are welcome to bring your school uniform if you would like to change into it for the rest of the day. Although parents can't attend, watch out for the video which will be on Webex.

From the Principal's Desk

Life is certainly full of hurdles at the moment, which we are becoming very good at navigating. An unforeseen personal hurdle for me is that I have been given an elective surgery spot next Monday to finally have my dodgy shoulder attended to! This was not in my BIG plan but has become a necessity.

I am very pleased that Mrs Karen Langdon is able and willing to act for me during what is initially expected to be a six week recovery (TBC).

Karen is currently the DET Outer Gippsland Professional Learning Communities Manager across all primary and secondary schools and was a senior member of our staff prior to that. As such, she has a deep understanding of our school, its values and community. I know you will make her very welcome.

PARENT PAYMENTS

Our updated policy is now available on the YPS website and also following this newsletter. Please familiarise yourself with it as booklists will be sent home at the start of December.

STAFFING UPDATE

Angus Dean is currently in O1 undertaking a pre-service teaching placement with Miss Kirsty O'Keefe.

Ms Rachel Wiggins has taken on PE for Term 4 and Ms Ashlee Elliott is conducting Performing Arts for the P-2 children. Mrs Karen Langdon will continue the Year 3-6 Music Program.

Welcome to the team!
